### **Term 2 Notification**

Dear Parents / Guardians,

Warmest greetings after the March break! We hope your child/ward has had a rejuvenating break and is ready for Term 2.

We value your partnership in shaping our SKLites into Inventive Thinkers, Confident Leaders, and Gracious Citizens through various school programs. Numerous photographs capturing the essence of our Term 1 learning activities have been shared on our Facebook page. We are also happy to share how the second edition of our WoW (Week of Wonder) in Term 1 Week 8 has enabled our SKLites to embrace the joy of learning by fostering curiosity and embracing new challenges. If you have not already done so, please follow us on our Facebook page at

<https://www.facebook.com/SengKangPrimarySchool>

For Term 2, our character development focus will revolve around the value of Integrity, guided by the 'I will' statements of being truthful, taking responsibility for words and actions, and doing the right thing.

#### **1. After School Structured Remedial lessons (After-School Programme)**

We have started our iFlourish programme, a suite of after-school activities designed to address the diverse learning needs of our SKLites. iFlourish includes iStretch to engage and challenge our learners, iEnable to inspire and improve self-management skills, and iLift to strengthen the foundational understanding of our students. The students selected for each programme will be issued a separate letter with more details.

#### **2. Cyber Wellness**

We aim to enhance our SKLites' understanding of the cyberworld and to develop our students into a safe and responsible online user. We have activities planned for them through our Super Cyber Monday programme. The programme started in Term 1 and will continue in Term 2 for P2-P6 SKLites. Super Cyber Monday will commence in Term 2 for the P1s. At the start of each term, these activities will be published in SLS for our students.

#### **3. Parent2Parent Connect (P2PC)**

Our Parent Support Group (PSG) is excited to inform you that they will be organising their third sharing session centered around effective strategies to motivate your child/ward in their education journey. This sharing provides a valuable opportunity for you to gain insights from fellow parents who have navigated this aspect of parenting.

Title: Strategies to motivate your child in learning

Date: Wednesday, 15 May 2024

Time: 8:00 pm – 9:00 pm

Mode: Online Zoom

Details on how to register will be shared with you closer to the event. SKPS PSG looks forward to your active participation.

#### **4. Showing Appreciation to our Staff**

As part of building graciousness in our SKlites, we emphasise on showing gratitude to staff and students who have gone the extra mile. We believe that your child has gained valuable insights, care, and support from the teachers, benefiting from the thoughtfully planned programs and activities. If any of our staff, whether teaching or non-teaching, has positively impacted your child/you or gone the extra mile, we invite you to share your feedback by completing the form at <https://go.gov.sg/skps-in-appreciation-of>. Your input is valuable and greatly motivates our staff through the encouragement of compliments and positive feedback from parents.

Yours sincerely,

Mrs Tan Siew Hong  
Principal
